Vacation Season

Enables people to relax from their usual avocations, but none the less they sometimes think of the future. Right here we want to impress upon everybody the mission of the Savings Bank—which is to take care of the peoples' savings, make it work for them, and have it ready when called for.

We cannot repeat the story too often—that the money in the Savings Bank is the only certain fund that can be depended upon for immediate service. You may invest your little savings in some security, however good—but when you need the money you want it quick, and nothing else will do.

Are you thinking of purchasing a home—become inde-pendent, and not have constant annoyance about renting. If you mean business, consult the Savings Bank.. It will be to your interest.

to your interest.

We are pleased to state that even the vacation season brings us some new accounts each day.

No matter where you are spending your vacation, the post-office will carry your deposit to us, and all business has immediate attention.

Before starting on your vacation, supply yourself with Travelers' Cheques. We furnish them—also Letters of Credit. One dollar starts an account. Safety Deposit Boxes for
